

A dashed box containing five boxes, each with the number 7 and a colored plus sign. The boxes are arranged in two rows: the top row has three boxes (purple, red, blue) and the bottom row has two boxes (yellow, green).

A 12x12 dot grid with four vertical columns of colored buttons. The buttons are placed in the second, fourth, eighth, and tenth columns. Each button has a plus sign on top and a hole in the middle. The colors are yellow, blue, red, and green.

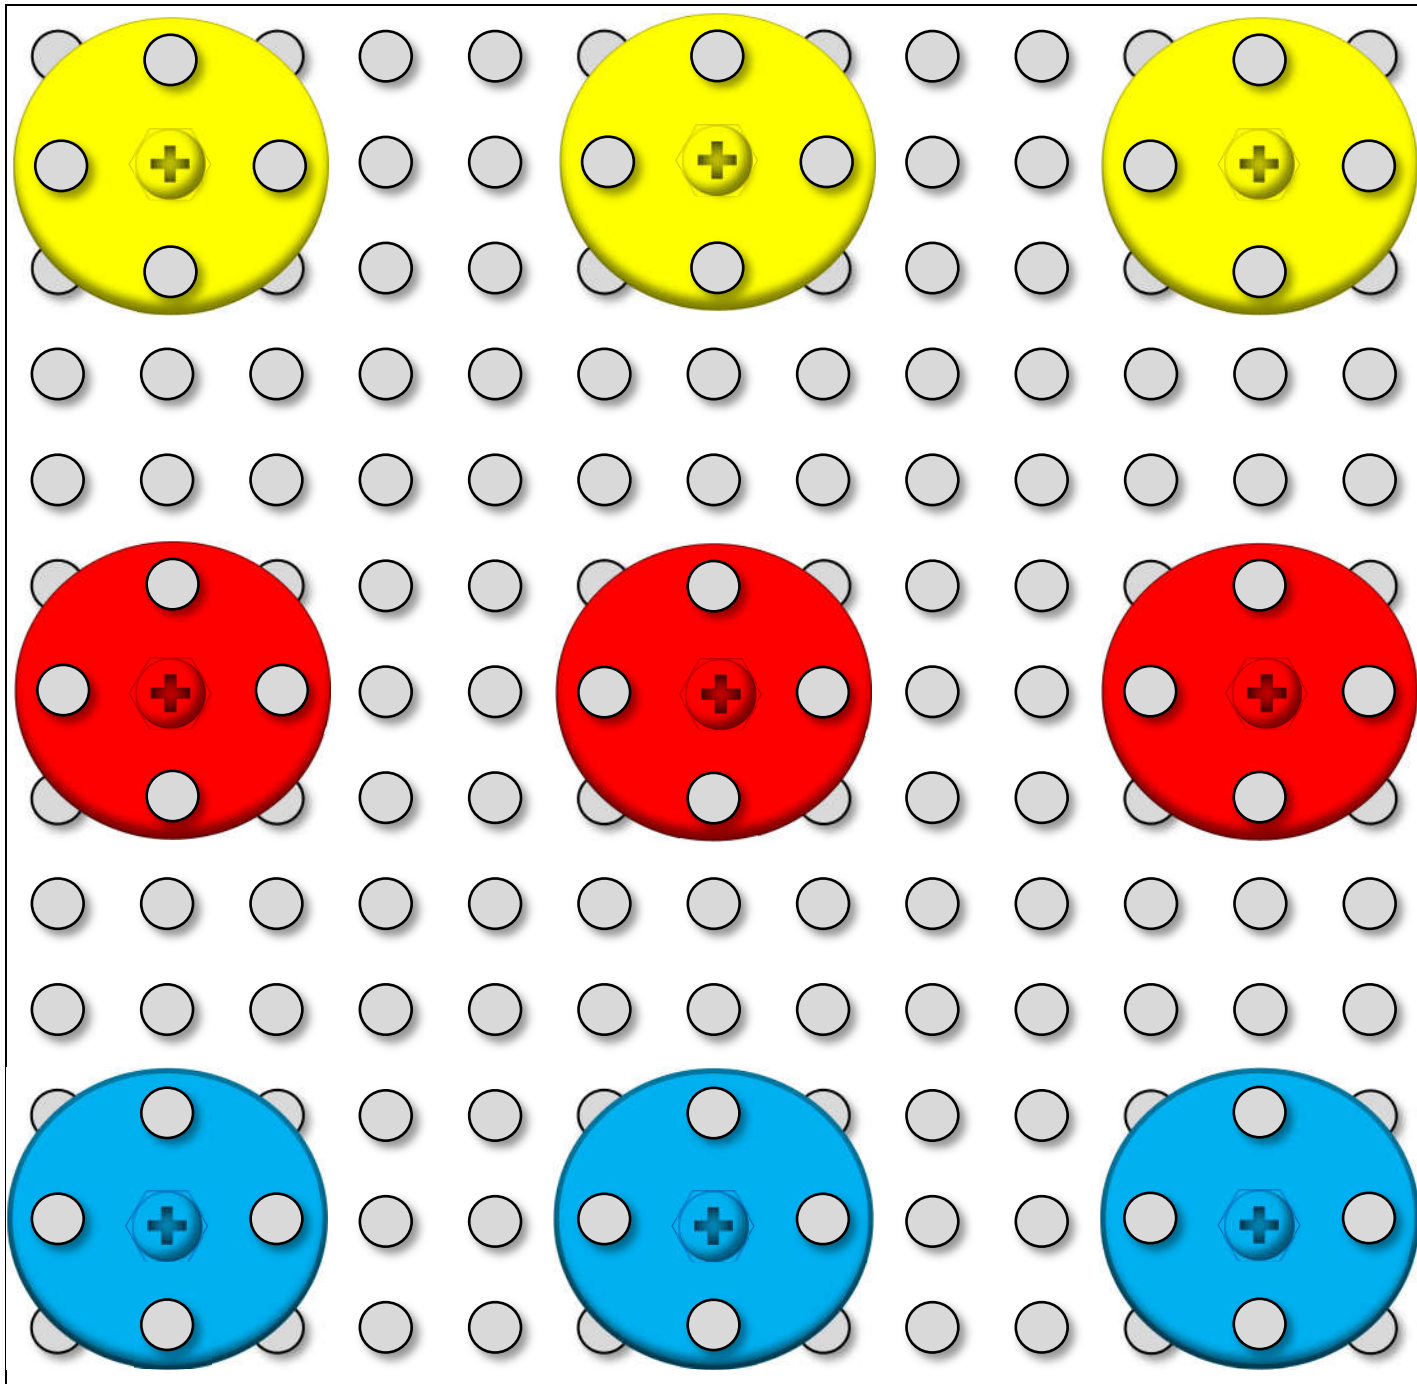

A dashed box containing four boxes with the number 7 and a colored button, and four buttons with the number 4 and a colored button.

- Top row: 7 red button, 7 blue button
- Second row: 7 yellow button, 7 green button
- Third row: 4 blue button
- Fourth row: 4 yellow button
- Fifth row: 4 green button
- Sixth row: 4 red button
